VOL. I, NO.

Dick Poplin, Editor

Feb. 1970

POPLIN PATTER is published * at three month intervals and is sent to POPLINS and # Poplin descendants names and addresses known to the publisher: Richard R. Poplin * 112 Lee Lene (Home Address)* Post Office (Business add)* Shelbyville, Tenn. 37160

ABOUT THIS NEWSLETTER

It is hoped and expected that all who are whose * receiving this issue of POPLIN PATTER have are * received the first two issues. If you did * not receive either of the first two, I have # a few copies left which I will send on request.

Several have suggested that I set a price * for subscription to this publication and let Ph. Area code 615-684-2678 * the subscribers help bear the cost of putting

is because I want this to go to as many who are of the Poplin name and connection as possible. Some might not be interested enough to subscribe, but by receiving this newsletter they might become interested and give help in furnishing information about the family history.

I say family history because I still believe that we all go back to the same two or three or more who first came to this country -- unless the story is true of one ancestor who assumed the name after coming to But if that story is true, I am as interested in those descendants as the others.

But back to the subscription idea. I begen this effort because I enjoy it and saw this as a means to gain information about us and to pass it around to others that probably could not be accomplished any other way. I took this upon myself without consulting with any other Poplin and hope to continue it indefinitely. I will say that the paper, printing, envelopes and postage cost FOR EACH ISSUE is around \$30 to \$35. Although I have not and am not now asking for help in the expense of publication, I am grateful to those who have been interested to the extent that they have taken it upon themselves to help with the expense. I have received \$23.50 from nine people, Oner G. Poplin, Mrs. Thomas J. Cogdill, Ruth Poplin Baker, Mrs. Beattie F. Price, C.C. Poplin, Mrs. Dorothy Powers, Mrs. Helen Poplin Mackey, Robert L. Poplin and Mrs. Blanche P. Jennings. Others have sent postage stamps for use in mailing out the P. Jennings. Others have sent postage stamps for use in mailing out the letters. Some have made extra copies and distributed them.

No one should feel obligated in anyway because of receiving this newsletter and if <u>for any reason</u> you do not wish to receive it in the future, just let me know and I will remove your name from my mailing list. But I hope everone will be interested and will join in the collecting of Poplin information.

CORRECTION In may seem strange to make a correction in page 3 on page one, but that is what is being done. Or rather this addition should be made. Between 648-Poplin, Lucy, and 728-Poplin, William in the 1850 Census there should be:

657#Poplin, John D. age 2lt farmer Mary 34

EXCELLENT CO-OPERATION

The co-operation has been excellent ant the interest above expectations when the first letter was sent out last July. FROM MANY

Many have given information on their lines and also on others. I have much more material than I can possibly use in this and the next letter. I will use it as I can and I will try to use it in the order of importance. Continue to send in your information. If I haven't heard from you yet, let me hear right away. In addition to this letter which coes to a mailing list of 166 correct addresses in 11 at the sent terms.

letter which goes to a mailing list of 166 correct addresses in 14 states and 129 by the name of Poplin, I carry on a rather extensive correspondence in between times. If I owe you a letter, bear with me. I hope all will put these is some type of permanent binder so all the information collected can be preserved.

ADDRESSES NEWS AND QUERIES WANTED

I have heard from some who were given a copy of POPLIN PATTER by a relative. If you have addresses of some who are not receiving it, send them and I will put

them on my list. Thanks to those who have ordered copies of SILHOUETTES FROM WALKING HORSE COUNTRY. Copies are still available. If you have news of reunions and queries about Poplins or connected lines send them in.

Since more of these letters go to North Carolina NORTH CAROLINA addresses than to any other area, and since all seem to trace back there, the following pages will be de-INFORMATION voted to information in the Montgomery - Stanly County area.

NORTH CAROLINA CENSUS RECORDS

In the first issue I recorded the names of those found as heads of families in the first census of N.C. in 1790. They were George, John and Richard. William Poplin was a Revolutionary War soldier but seems not to have been in North Carolina in 1790. I am endebted to David Poplin, 4349 Oregon St., Perry, Ohio 44081, for the 1810 census of Montgomery County, and to Mrs. Jaunita P. Morris, Route 5, Box 276, Albemarle, N.C. 28001, for the 1840, 1850 and 1860 listings of Poplins in Stanly County. The Shelbyville, Tenn. library also has a microfilm of the 1850 Stanly County census which I have examined.
